# Notes to the Statement of Financial Position

## Australian Golf Foundation Limited For the year ended 30 June 2022

### 1. Summary of Significant Accounting Policies

This note provides a list of all significant accounting policies adopted in the preparation of this financial report.

#### (a) Basis of preparation

This financial report has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the Corporations Act 2001. Australian Golf Foundation Limited is a not-for-profit entity for the purpose of preparing the financial statements.

(i) Compliance with Australian Accounting Standards - Simplified Disclosure Requirements.

The financial report complies with Australian Accounting Standards - Simplified Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB). The financial report has been prepared on a going concern basis.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis unless otherwise stated.

(iii) New standards and interpretations not yet adopted

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2022 reporting periods and have not been early adopted by the company. The company's assessment indicates that there are no new Australian Accounting Standards or interpretations that have been issued but are not yet effective with an expected material impact on the company's financial report in the period of initial application.

The principal accounting policies adopted are set out below.

#### (b) Revenue recognition

Revenue is recognised for the major business activities using the methods outlined below.

(i) Contribution Revenue

Contribution revenue is recognised as revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service to third - party beneficiaries.

(ii) Donation Revenue

Donations revenue is recognised as revenue upon receipt.

(iii) Sponsorship Revenue

Sponsorship revenue is recognised as performance obligations are satisfied over the sponsorship contract period, unless the sponsorship is payable on achieving specified milestones, in which case revenue is recognised on the completion of contracted milestones.

(v) Interest income

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

(vi) Other income

Other income is recognised in the period in which it is received.

**(c) Income Tax**

Australian Golf Foundation Limited is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997. Australian Golf Foundation Limited assesses and determines its exemption on an annual basis in accordance with relevant legislation.

**(d) Financial Assets**

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their marked bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

**(e) Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(f) Trade and other receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less loss allowance. Trade receivables are due for settlement no more than 30 days from the date of recognition.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that Australian Golf Foundation Limited will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short-term receivables are not discounted if the effect of discounting is immaterial. The amount of the change to the provision is recognised in the Statement of Surplus or Loss and Other Comprehensive Income.

The entity applies the AASB 9 Financial Instruments simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

**(g) Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**(h) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

**(i) Rounding of amounts**

The company is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the financial statements. Amounts in the financial statements have been rounded off in accordance with the instrument to the nearest dollar.

## 2. Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the entity's accounting policies.

### (a) Significant estimates and judgements

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

### (b) Critical accounting estimates and assumptions

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the entity's accounting policies. There are no areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements.

## 3. Establishment and Objects

Australian Golf Foundation Limited was established as a company limited by guarantee on 18 December 2018.

The objects of the company are to encourage and promote the sport of golf in Australia.

The company may provide financial and non-financial support to programs, activities or events that will sponsor, encourage and promote participation in golf, including (but not limited to):

## ***Independent auditor's review report to the members of Australian Golf Foundation Limited***

### **Report on the financial report**

#### ***Conclusion***

We have reviewed the financial report of Australian Golf Foundation Limited (the Company) which comprises the statement of financial position as at 30 June 2022, the statement of changes in equity, statement of cash flows and statement of profit or loss and other comprehensive income for the year ended on that date, significant accounting policies and explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying financial report of Australian Golf Foundation Limited does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Company's financial position as at 30 June 2022 and of its performance for the year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### ***Basis for conclusion***

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### ***Responsibilities of the directors for the financial report***

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

### ***Auditor's responsibilities for the review of the financial report***

Our responsibility is to express a conclusion on the financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 30 June 2022 and of its performance for the year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
